John Scottus Secondary School

Admissions Policy

1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on [date]. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for John Scottus Secondary School admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned. This policy must be read in conjunction with the annual admission notice for the school year concerned. The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. Characteristic spirit and general objectives of the school

Our school is named after John Scottus Eriugena - poet, Platonist philosopher and theologian of Ireland's Golden Age. Our values are inspired by a common thread, or perennial philosophy, found in the great traditions of East and West. We are a multi denominational school, inspired by the works of Plato, Christianity and Advaita (non dual) Vedanta philosophy. We see spirituality as the true essence of every human being and we welcome those of all faiths and those of none.

OUR MOTTO: 'Laetus Impresens' - Delight in the Present

Our motto (borrowed from the renaissance Florentine philosopher Marsilio Ficino) expresses the importance we attribute to being fully present and connected in every moment. At John Scottus, we emphasise the regular practice of meditation and mindfulness which strengthens focus, enhances awareness and connects the student to a sense of quiet presence whether in stillness or in activity. We see this as an essential tool for living a fulfilled life.

OUR VISION

Our vision is to be a rich learning environment that enhances students' lives and the lives of our wider community and society. Supporting our vision are 5 core values which we believe help to set a strong foundation for a meaningful life - unity, spirituality, the spirit of enquiry, service and love.

OUR MISSION

Our mission is for John Scottus to be an inspiring centre of learning that invites our students, parents, teachers and broader society to come to know their true Self. We aim for our students to flourish personally and academically. We encourage our students to discover and develop their unique gifts so they can contribute creatively to the world around them.

OUR VALUES

Unity - We celebrate the concept of oneness and interconnection, as found in many great traditions from the East and the West.

Spirituality - We see our students and each other as spiritual beings. We acknowledge that there is a deeper presence beyond that of the body, mind and heart.

The Spirit of Enquiry - We encourage the Socratic Method of discussion to train the mind and open the heart, developing the power of reason and learning through self-discovery.

Service - We enable our student's growth into responsible global citizens by encouraging social awareness of the world around us and our relationship to it.

Love - We endeavour to meet each person and situation from a place of love, first. We believe all of our students to be intelligence and love in action.

11. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of certain information between schools in order to facilitate the efficient admission of students.

12. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to John Scottus Secondary School were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of John Scottus Secondary School is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

13. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

14. Procedures for admission of students to other years and during the school year

Where parents wish to make an application for their daughter to a year group other than First Year or during the school year, they should in the first instance fill in an Application Form. An offer of a place can only be made if there is space in the year group in question. A decision on whether a place can be offered will be conveyed to the parents within 21 days of the initial application. Applications made for a place in Transition Year or Fifth Year in the forthcoming academic year will be refused until the Principal has established the number of available spaces in each of these year groups, which will depend, in turn, on the number of existing Third Year students who progress to either year group. Such applications will be placed on a waiting list in date order of receipt until the number of available places in the relevant year group has been established by the Principal.

Before accepting the offer of a place in the school the parents and their daughter are strongly advised to attend a meeting with the Principal and/or Deputy Principal to ascertain whether there is a place available in the particular subject classes required by their daughter. The fact that there may be a space in a year group would not automatically mean that there is a place available in a particular subject class at the level required by the student. This is because class size is limited in certain subjects. For this reason parents and their daughter are strongly recommended to attend a meeting with the Principal and/or Deputy Principal to ensure that a transfer to the school would be in the best interests of their daughter given the curricular provision, subject choices/levels and facilities available at the time.

Acceptance of an offer of a place by an applicant to a year group other than First Year or during the school year:

The parents must confirm their acceptance in writing of an offer of a place within two weeks of the date of the offer of a place.

In accepting an offer of admission from John Scottus School, the parents must indicate—

- (i) whether or not they have accepted an offer of admission for another school or schools. If they have accepted such an offer, they must also provide details of the offer or offers concerned and

(ii) whether or not they have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, they must provide details of the other school or schools concerned.

Parents should be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

Circumstances in which offers of a place in a year group other than First Year or during the school year may not be made or may be withdrawn:

An offer of admission may not be made or may be withdrawn by John Scottus School where—

- (i) it is established that information contained in the application is false or misleading;
- (ii) an applicant fails to confirm acceptance of an offer of admission within two weeks of the date of the offer of a place;
- (iii) the parent of a student, when required by the Principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the Code of Behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student;
- (iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out above;
- (v) the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education. The Board of Management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility; or
- (vi) the application is made for a place in Transition Year or Fifth Year in the forthcoming academic year before the Principal has established the number of available spaces in each of these year groups, which will depend on the number of existing Third Year students who progress to either year.

Oversubscription to the year group other than First Year:

In the event of there being more applications to the year group other than First Year than places available, a waiting list of students, whose application for admission to the particular year group has been refused, will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list will be in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy see [Section 5](#) above. The date of receipt of a properly completed Application Form will determine the position on this waiting list within each of the criteria. In the unlikely event that there are two or more students tied for a place or places in any of the selection criteria categories set out in

[Section 5](#) above, then the position on the waiting list (for places in a year group other than First year) will be determined by a lottery process overseen by the Principal and Deputy Principal.

Offers of any subsequent places in the year group other than First Year that become available during the school year will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

Sharing of Data with other schools:

Applicants should note that the provisions of [Section 11](#) above relating to the sharing of data with other schools will apply in all cases where an application is made to a year group other than First Year or during the school year.
